Dear Thad:

I wanted to sincerely thank you for all your help in creating and establishing my company. It's impossible to quantify how important your help has been to me in achieving my entrepreneurial dreams. Your efforts have saved me a great deal of time and money. From setting up insurance for my company, to creating letterheads and logos, to finding the right equipment, your skills have proved to be a vital asset to the success of my company.

Unlike many entrepreneurs, my journey thus far has not been a struggle filled with sleepless nights and unpaid bills. Your hard work has made my entrepreneurial journey a fun, smooth-sailing ride! Over the last three years, my company has been blessed with considerable growth. In fact, this year alone we will have a 25% growth in sales! Such success can be attributed to your efforts. Thanks again and I look forward to working with you in the future!

Regards,

Jordan Pipe
