Dear Thaddeus,

Listening, organizing, caring, advising, praying, encouraging, problem solving – all of these are part of your very unique role as a **Love In the Name of Christ** Budget Mentor. As Board of Directors and Staff of **Love in the Name of Christ**, we want to say THANK YOU so much. The LOVING HELP PROGRAM is truly the backbone of our entire **Love INC** ministry, and it would not be effective without volunteers like you. Our records indicate that volunteers in the LOVING HELP PROGRAM have given over 6,000 hours of service so far in 2006. Lives are touched and changed because of you!

You are the key to giving people hope and help to make an entire "relational mentoring" program successful! As volunteers like you and others continue to faithfully help and guide people with financial difficulties, we have been able to see lives restored with hope, help and wholeness. When people are going through difficult times, nothing is more effective than having a loving, caring Christian mentor to provide encouragement, advice, prayer and support. It is now not unusual to have more than 230 people at the LHP on a Thursday evening. In this all, we have experienced a great interest and excitement from many Christian leaders across the nation that desire to implement programs such as our LOVING HELP PROGRAM in their own area. You have helped carry that vision!

Thanks, Thaddeus, for joining the budget team. Your clients seem very excited to be working with you and we anticipate great things in a short time. Thanks for helping us to be Jesus in this community.

We wish you a very Blessed Holiday Season and again, thank you for the wonderful ways you have helped and have served through your church and with **Love In the Name of Christ**.

God Bless You!

The Board of Directors and the Staff of **Love In the Name of Christ**
