Hi Thaddeus!

I just wanted to thank you for your call yesterday. I felt bad, I was at my sister's house and she does not get very good phone

service over there. So I hope I didn't sound odd on the phone, I don't think I caught everything that you were saying! Sorry.

We have been so busy, I didn't realize all of the stuff that we needed to take care of before getting started. Even though it has

been crazy, we feel God opening doors for us as well as leading us to christian men to get us off to the right start. I can't say it

often enough, thank you thank you, for all of your business knowledge but most of all for your encouragement and friendship. We

think the world of you. Rick can't tell enough people about you and your help, he considers you to be good friend. Once things

settle down for us, we will come to see you and show you all the progress that we've made! Talk to you soon!

Have a blessed day,

Jill
